A very comfortable, climate-controlled excursion that features two separate mountain grades, an air-conditioned passage into a 1,500 foot deep canyon with steep, densely forested slopes, and a bridge over the meandering Shavers Fork of the Cheat River. This vintage diesel-powered passenger train has gained a reputation of one of the most relaxing mountain wilderness excursions in the Mountain Rail Adventures portfolio. The 4-hour, 46-mile round trip departs at 11 am from the Elkins Depot on Railroad Ave. on the trip to the falls, enjoy an "All You Can Eat" buffet which includes in the ticket price. The trip culminates at the High Falls of Green, an 118' high, 150' wide waterfall located in one of the most remote & pristine settings in the region. If you're looking for comfort & spectacular views on a vintage train, this is the ride for you! \$72/person for the 1922 Deluxe Pullman Parlor Car, limited to 26 people.
