11. International Representative's Report (Dan Moeser)

- Since my last report, Pat and I the Southern Regional Conference, hosted by Louisiana-XII. Below are highlights since the MDC Winter 2011 meeting:
  - All actual minutes from the International meetings are now posted online in the Members Only area. Please refer to them for details on the below updates.
  - Fall issue of the International Newsletter will contain the Sales Catalog.
  - As of the May meeting, Tri-State has overtaken the MDC by 7 members. MDC has 2686.
  - International Scholarships – International has 5 scholarships available and only one person applied. The deadline was extended to 1 June.
  - Sexual Harassment Policy is almost completed and should be ready by the Convention.
  - Legal Committee is working on the OMG issue to ensure the Blue Knights are not listed as an OMG.
  - There have been two (2) official bids for the 2013 Convention...Arkansas-IV (Eureka Springs, AR) and Tennessee-I (Memphis, TN).
  - Vests...Both old and new ones are on back order (no time limit on the back order).
  - Proposals (requiring by-law changes):
    - Move the inaugural weekend (ballot counting and installation of new officers) from Bangor, ME to the site of the International Convention: What this means is the next inaugural weekend will be at the 2013 International Convention...current officers will serve an additional six months. Proposal passed and will remain in effect unless overturned by 75% of the membership at the 2011 International Convention.
    - Verification Committee: Moved to the December prior to the Convention/Inaugural Weekend. Proposal passed and will remain in effect unless overturned by 75% of the membership at the 2011 International Convention.
  - International Donations: Give monetary donations to established Tax-exempt donations. Proposal passed.
  - DISCUSSION INITIATED BY RONNIE YOUNG:
    - Question to International Rep: "Why is it that these proposals are not published early

- enough to give time to the Reps to bring them back to the Conference and obtain Chapter President’s approval”?
- Response by International Rep: “I received these 10 days ahead of the meeting, I immediately sent this to the MDC Board for discussion...there is not enough time to obtain all 77 President’s responses”. “The MDC Board and the Board of Directors approved these changes and they did not appear controversial.
  - Response by BOG Secretary (Jimmy Schneider): “It was discussed with opposition that these be tabled but most felt it was important to vote (up/down) in order to get these in front of the membership in July, at the Convention”.
- Ballot Casting: Committee was tasked to look at this issue...the Committee did not have enough time to make a proposal before the meeting.
    - Comments by Mike Ripsch and Rick Clark (both on the committee): Regarding the procedures manual under review about how the ballots are cast and counted...will not require a by-law change. All MDC Board Members are in total agreement that the balloting needs to be outsourced
    - Motion by Eric Mines: That the MDC International Rep make a motion at the next board meeting “that all future International elections be outsourced with the details to be determined by the board; such as vendor, logistics, location, etc”.
      - There was discussion from Ronnie Young, Eric Mines and Dan Moeser.
      - Call for the question - Motion to end the discussion, seconded and passed by all voting members with the exception of Dan Moeser, who voted against.
      - Call for the vote - Motion was voted and passed by all voting members with the exception of Dan Moeser, who voted against.
  - Members-at-Large: MDC has 6. MALs are considered Conference members but paperwork is processed at Headquarters, with no comments/action from a Chapter or the Conference Boards. Headquarters verifies there “paper work”. There is a tabled proposal for the Conferences to verify and sign applications prior to the applications going forward to International. QUESTION: Should the Conference be involved in the process? The overwhelming majority agrees that the Conference should be involved and should use their own process.
    - During the discussion it was mentioned that the 50 mile rule was an issue as there is no defined location as where the 50 mile rules is...is it the Chartering Address or the Mailing Address? This can be different.
- Questions by Ronnie Young to International Rep (Dan Moeser):
    - Ronnie’s comment regarding vests – “if we are having that much trouble getting the vest, they can’t be the only ones making vest”.
    - (Q)Past International President Issue – Can you enlighten us on the details of the investigation, now that it is over?
      - (A) Dan Moeser’s response – “The board received a letter from the lawyer indicating that it was found that the person did do things that were not becoming of an officer and also inappropriate actions that did not rise to the initial charge of sexual harassment.”
    - (Q) Corporate Attorney – “Did he resign?”
      - (A) Dan Moeser’s response – “What we were told...the Corporate Attorney that we had for 20 years chose to resign and not represent the Blue Knights anymore.”

- (Q) Reimbursement of Funds – “Why is it that after the International Board made a decision to seek redemption from some monies that was spent by certain individuals of the organization; why was that dropped?”
  - (A) Dan Moeser’s response – “It was not dropped, it was re-voted on according to Robert’s Rules...one of the people that voted for that proposal (bill for telephone calls to the Lawyer) made a motion to reconsider.”
- Comment by Ronnie Young – Directed to the entire MDC Executive Board: “You, the members of the Board represent us, the members, and if you are going to be puppets for the International Board...I am going to do my best to get you out of those chairs. You need to exercise the common sense that I know you have to represent the conference. You need to abstain if you feel something is being rushed.”
  - There were comments from Ronnie Young, Dan Moeser and John Bull regarding the purpose of this comment as it related to a motion made by the MDC Board, through the MDC International Rep, regarding the immediate past International President...*NOTE: The intent of the motion, from the MDC Board, was to preserve the operational aspects of International Headquarters without jeopardizing the membership status of the Past President.*

12. Vice Chairman’s Remarks: (Mike Pollinger):
